16. AZTEC: AND WE DON’T HAVE TO WORRY ABOUT THOSE DAMN REINDEER!
PANEL 1. A trippy heaven, with Native American decorative markings in it.

1. CAP: IN THE RIO GRANDE, PEYOTE, CONTAINING THE POWERFUL HALLUCINOGEN MESCALINE, IS USED. THE PEYOTE RELIGION HAS SPREAD THROUGHOUT NORTH AMERICA.

2. NOTE: “The white man goes to church & talks about Jesus. The Indian goes to his teepee and talks to Jesus.” —J.S. Slotkin, The Peyote Religion

3. NOTE: According to the Brule Sioux, Grandfather Peyote appeared to a starving Comanche tribe, who then spread the ritual of “the sacred herb” throughout the land.

PANEL 2. A close-up of a Morning Glory flower. See the flowers outside my house. A tiny Aztec WARRIOR is talking to the flower.

4. CAP: NATIVE AMERICANS EVEN HAD A BACKUP DRUG: WHEN THEY COULDN’T GET MUSHROOMS OR PEYOTE, THEY USED MORNING GLORY SEEDS. THE AZTECS CALLED IT OLOLIUQUI.

5. WARRIOR: OLOLIUQUI IS AZTEC FOR “SECOND RATE DRUG”.

PANEL 3. A businessman in a suit is sniffing a brown powder from a long wooden tube, sitting at a table in a nice restaurant. Make the restaurant Italian so the tube can clash with the tablecloth.

6. CAP: FURTHER SOUTH, AMAZON TRIBES SNIFF YOPO POWDER WHICH CONTAINS DMT.

7. CAP: DMT’S EFFECTS LAST 15 TO 30 MINUTES, GIVING IT THE NICKNAME “THE BUSINESSMAN’S TRIP.”

8. BUSINESSMAN: THE LUNCH DRUG!

9. CAP: IT STILL HASN’T REPLACED THE 3-MARTINI LUNCH.

PANEL 4. An Amazon tribesman is mixing two powders together using a pestle and mortar.

10. CAP: AMAZONS ALSO DRINK YAGÉ, AND MIX IT WITH YOPO. DMT IS NOT NORMALLY EFFECTIVE ORALLY, BUT YAGÉ ACTIVATES IT, AT THE SAME TIME MELLOWING THE DMT HIGH†.

11. AMAZON: BUSINESS IS MELLOWER ON A 3-YAGÉ LUNCH!

PANEL 5. Footnote. A tiny anthropologist is questioning an Amazon tribesman.

12. Note: †Our stomachs contain an enzyme that destroys DMT. Harmine, the active component of Yagé, deactivates this enzyme. Anthropologists wonder how the Amazons could have figured this out without a lot of trial and error. Amazons claim the Yagé spirit told them what to do.

13. ANTHROPOLOGIST: HOW DID YOU KNOW?

14. AMAZON: GOD TOLD ME. HE DRINKS YAGÉ.
PANEL 1. An Italian COOK is serving a steaming plate of spaghetti to General GEORGE Washington, under a mess tent. GEORGE has a look of ‘you want me to eat that?’ on his face.

1. CAP: THE NIGHTSHADE FAMILY INCLUDES POTATOES, TOMATOES, AND PEPPERS.
2. COOK: VOILÁ! PASTA WITH NIGHTSHADE SAUCE.
3. GEORGE: LOOKS DEADLY...
4. NOTE: It was once thought that tomatoes were deadly. Legend has it that a Tory tried to poison George Washington with a tomato sauce!

PANEL 2. A native American is smoking a pipe, and envisioning a killer TOMATO attacking him, like the plant in “Little Shop of Horrors.”

5. CAP: THE NIGHTSHADE FAMILY ALSO INCLUDES TOBACCO AND THE DATURAS. SACRED DATURA AND THORNAPPLE (JIMSONWEED) WERE USED BY NATIVE AMERICANS FOR THEIR HALLUCINOGENIC† PROPERTIES.
6. TOMATO: I SUDDENLY SEEM MORE DANGEROUS, DON’T I!

PANEL 3. ‘R.J.’ is standing with his hands on his hips, arms akimbo, talking out to the reader. He’s standing in front of a desk, and on the desk is a nameplate saying “R.J. Reynolds”.

7. CAP: TOBACCO IS ONE OF THE LEAST DANGEROUS OF THE RELIGIOUS NIGHTSHADES†, AND WAS USED MORE OFTEN THAN THE OTHERS.
8. R.J.: FINALLY! A DRUG MORE DANGEROUS THAN TOBACCO.

PANEL 4. R.J. is lighting a cigarette with a lighter.

9. CAP: IT WAS GENERALLY RESERVED FOR SPECIAL OCCASIONS.
10. R.J.: EVERY MORNING’S A SPECIAL OCCASION FOR ME!
11. R.J. (coughing): ·HACK·
12. R.J. (small): I’M STILL ALIVE…

PANEL 5. This is a footnote from PANEL 2. A tiny HIPPIE DOCTOR (wearing a disk on his forehead and a tye-die t-shirt & jeans) expounds towards the ‘deliriant’ text.

13. NOTE: †The nightshades and other dangerous hallucinogens are often called ‘deliriants’ to distinguish them from the more benign psychedelics, such as mushrooms, peyote, and LSD.
14. HIPPIE DOCTOR: A PSYCHEDELIC IS A DRUG I APPROVE OF; A DELIRIANT IS ONE I DON’T.
If PANELS 1 AND 2 can be made to look vaguely like sixteenth-century woodcuts (see ref), without interfering with the readability of the page and panels, go for it.

**PANEL 1.** Two aged old crones are giving each other a lesson in etymology circa sixteenth century Germany. WITCH 1 is holding up a henbane plant, and WITCH 2 is holding up a mandrake plant.

1. CAP: THE EUROPEAN FORMS OF NIGHTSHADE ARE BELLADONNA, HENBANE, AND MANDRAKE, WELL KNOWN POISONS.
2. WITCH 1: HEN-BANE, FROM HEN-KILLER, GET IT?
3. WITCH 2: YEAH? SO WHAT’S MAN-DRAKE, SMART MOUTH?
4. CAP: IT HAS BEEN CLAIMED THAT THE USE OF THESE PLANTS BY ‘WITCHES’ PRODUCED VISIONS OF RIDING THE NIGHT SKY TO SABBAT WITH THE DEVIL.

**PANEL 2.** A man with a whip is glaring down at a bruised and battered WOMAN. The WOMAN is writing her confession. In the background you can put various torture devices: the rack, hot coals. See me for pictures if you want a lot of them.

5. CAP: WOULD THAT IT WERE TRUE. BUT THE ‘NIGHT-SABBAT’ STORIES WERE CREATED BY THE TORTURERS, NOT BY ACCUSED WITCHES.
6. WITCH: HOW DO YOU SPELL ‘VOLUNTARY’?
7. CAP: THE VIVID IMAGES WE’VE RETAINED FROM THIS ERA ARE THE PRODUCTS OF CENTURIES OF TORTURERS EXTRACTING MORE AND MORE LURID CONFESSIONS.

**PANEL 3.** This is two panels in one. There is no panel break between them. On the left is a JEW, wearing a prominent Star of David on his arm. On the right is a WOMAN talking from a stage. Behind her is a banner that reads “DARE TO TURN IN YOUR PARENTS”. Not all of it needs to be visible. She wears a t-shirt that says “MY GRANDMA LIVED THROUGH PROHIBITION & ALL I GOT WAS THIS LOUSY SHIRT.”

8. CAP: IT’S EASIER TO BELIEVE THAT THE CONFESSsed TRULY DID GO TO SABBAT WITH THE DEVIL, IF ONLY IN THEIR MINDS, THAN IT IS TO BELIEVE THAT HUMANS COULD BE CAPABLE OF SUCH UNABASHED CRUELTY.
9. JEW: YEAH, I CAN’T BELIEVE IT EITHER.
10. WOMAN: ALL WE HAVE TO DO IS MAKE DRUGS ILLEGAL, AND EVERYONE WILL BE NICE.
PANEL 4. A bunch of teen-agers (11 to 17) are sitting cross-legged on the floor of a makeshift courtroom, and the jurors are shuffling in. There are also seven judges and a clerk, although not all will necessarily be visible.

11. CAP: SIMILARLY, ERGOT† OR JIMSONWEED IS BLAMED FOR CAUSING THE TEEN-AGED ACCUSERS OF SALEM TO ACT AS IF POSSESSED.

12. TEENAGER: AND IT MAKES ADULTS ACT GULLIBLE.

13. NOTE: Ergot is a fungus that grows on rye. It contains lysergic acid.

PANEL 5. Thomas FISK, the foreman of the jury, announces that the defendant has been found not guilty. The kids start wailing, and Judge STOUGHTON tells the jurors to think a little harder.

14. CAP: IF SO, IT WAS A SMART DRUG. IT KNEW WHEN TO START THE KIDS WAILING IF IT LOOKED LIKE A ‘WITCH’ MIGHT GO FREE. AND IT STILL DOESN’T EXPLAIN THE JUDGES’ ACTIONS.

15. FISK: WE FIND THE ACCUSED NOT GUILTY.

16. SFX (kids): WAAAAAAAH!

17. STOUGHTON: GO BACK AND GET THE RIGHT VERDICT.

PANEL 6. A very small panel, possibly inset into PANEL 5, of just FISK pulling out his pockets, looking for something, obviously distraught.

18. FISK: OOPS. THE RIGHT VERDICT, OF COURSE. WHERE DID I PUT IT?

19. FISK (small): WHAT THE HELL DID THEY NEED A JURY FOR?
PANEL 1. Three SCIENTISTS in lab coats lie in a pile outside of a U.S. military base. They are each holding FOLDERS containing their data. A GENERAL has kicked them out of the building. He’s raising his fist and yelling at them.

1. CAP: HOW DID OUR CURRENT STATE OF PROHIBITION COME ABOUT? A COUNCIL OF EXPERTS?
2. CAP: THE ARMY TRIED THAT, AND IT DIDN’T WORK: THREE SUCCESSIVE STUDIES SHOWED NO PROBLEMS WITH MARIJUANA. THEY THREW OUT THE STUDIES AND PROHIBITED MARIJUANA ANYWAY.
3. GENERAL: AND STAY OUT!
4. SCIENTIST 1: WE MUST BE DOING SOMETHING WRONG.
5. SCIENTIST 2: I CAN’T IMAGINE WHAT...
6. FOLDER 1: HEMP: SAFE AND FUN
7. FOLDER 2: MARIJUANA: NOT A PROBLEM
8. FOLDER 3: HASHISH: NOT JUST FOR BREAKFAST ANYMORE

PANEL 2. A female PROHIBITIONIST is coming around the corner onto the “VIPER DRAG” jazz club. Her nose is in the air, sniffing. She’s wearing a button that says “FUN”, inside a circle with a slash through it (that is, “no fun”).

9. CAP: WE TRIED PROHIBITING ALL SORTS OF THINGS LAST CENTURY—THERE WAS EVEN A MOVEMENT TO PROHIBIT JAZZ MUSIC FOR A WHILE.
10. PROHIBITIONIST: •SNIFF• I SMELL PEOPLE ENJOYING THEMSELVES! CALL THE POLICE!
10. CAP: WE EVENTUALLY GAVE UP ON PROHIBITING ALCOHOL AND TOBACCO (AND JAZZ MUSIC), BUT WE KEPT THE PROHIBITIONS ON OPIUM, COCA, AND MARIJUANA. WHY DID WE KEEP THESE DRUGS ON THE NAUGHTY LIST?

PANEL 3. JERRY is hosting a talk show. There are five guests. One is the PROHIBITIONIST from the previous panel. A DEALER is wearing a gold chain with a spoon. He’s also holding a vial of white powder with a PRICE TAG on it. A POLITICIAN is wearing a campaign BUTTON. A POLICE OFFICER (the only speaker who gets to have his entire body in the panel) is dragging a black man. The OFFICER holds his billy club over his shoulder.

11. JERRY: IN FACT, WHY PROHIBIT DRUGS AT ALL?
12. PROHIBITIONIST: MORE BUSINESS FOR JAILERS?
13. DEALER: SUBSIDIZE MY SALES?
14. PRICE TAG: 50¢ $100
15. **POLITICIAN:** GIVE ME SOMETHING TO RAIL ABOUT IN ELECTION YEARS?

16. **BUTTON:** VOTE FOR ME OR YOUR DAUGHTER WILL MARRY A CHINAMAN!

17. **POLICE OFFICER:** LET ME ARREST ANYONE WHO LOOKS AT ME FUNNY?

**PANEL 4.** This panel is just a text box leading into the next page.

18. **CAP:** THAT LAST ONE IS LESS A JOKE THAN IT SHOULD BE. RACISM HAS ALWAYS BEEN A FACTOR IN DRUG PROHIBITION:
PANEL 1. The shadow of FU MANCHU is menacing a young caucasian boy who is putting his clothes in a dryer.

1. **CAP:** THE ‘CHINESE PROBLEM’ PROMPTED LEGISLATION AGAINST OPIUM SMOKING, AND THEN HEROIN AND OTHER OPIATES.

2. **NOTE:** “Condemned to spend their days in the back of laundry rooms, these tiny lost souls yield their virgin bodies to their yellow captors. There are thousands of our girls and boys who have this deathly habit, and are doomed beyond the shadow of redemption.”—Samuel Gompers

3. **SHADOW:** SOME POPPIES, LITTLE BOY?

PANEL 2. A white WOMAN in Southern belle dress has her hand to her chest. A stereotypical DARKY is poking his head into the foreground of the panel, cocaine powder streaming from his nose.

4. **CAP:** COCAINE WAS BLAMED FOR “MOST OF THE ATTACKS UPON WHITE WOMEN OF THE SOUTH. NEGRO COCAINE FIENDS ARE A KNOWN SOUTHERN MENACE.”—DR. CHRISTOPHER KOCHS

5. **WOMAN:** OH DEAR!

6. **DARKY:** WHERE DE WHITE WOMEN AT?

PANEL 3. A CONGRESSMAN in a three-piece suit is making a speech at a town square. Among other generic white people, a NEGRO looks on.

7. **CAP:** ALCOHOL PROHIBITION WAS SUPPORTED BY NATIVE-BORN WHITE AMERICANS OVER IMMIGRANTS AND BLACKS.

8. **CONGRESSMAN:** “LIQUOR WILL MAKE A BRUTE OUT OF A NEGRO, CAUSING HIM TO COMMIT UNNATURAL CRIMES. THE EFFECT IS THE SAME ON THE WHITE MAN, THOUGH BEING FURTHER EVOLVED IT TAKES LONGER TO REDUCE HIM TO THE SAME LEVEL.”—CONGRESSMAN RICHARD P. HOBSON, ALABAMA.

9. **NEGRO (small):** IT DIDN’T TAKE LONG TO AFFECT YOU.

PANEL 4. A KID is looking longingly into a medieval candy store. A sign is hanging on it, saying “JUST SAY NO!” and below that “TO THE COFFEE ACHIEVER”, and “10 THALER REWARD” below that. A sticker, in small print, says “COFFEE ABUSE RESISTANCE EDUCATION. WE CARE SO MUCH, WE HAVE TO KILL YOU.”

10. **CAP:** WHEN COFFEE WAS INTRODUCED TO EUROPE, IT WAS THE “INFIDEL’S WINE”, AND WAS BANNED. ONE RULER OFFERED A REWARD TO ANYONE DENOUNCING A COFFEE DRINKER.

11. **KID:** WOW! I COULD BUY A LOT OF CANDY FOR THAT.

12. **KID (small):** I HOPE MOM LIKES PRISON…
13. SIGN: JUST SAY NO!
    TO THE COFFEE ACHIEVER
    10 THALER REWARD

14. STICKER (small): COFFEE ABUSE RESISTANCE EDUCATION. WE CARE SO MUCH, WE HAVE TO KILL YOU!
PAGE 19

PANEL 1. A SAMURAI, full Japanese-style armor, on a horse, holds a Japanese SMOKER up by the hair with one hand, and holds his sword in the other. The SMOKER still has a cigar hanging from his mouth.

1. CAP: AS TOBACCO ARRIVED FROM AMERICA, GOVERNMENTS THROUGHOUT THE WORLD TRIED TO EVICT THE FOREIGN DRUG.

2. CAP: JAPAN PROHIBITED SMOKING IN 1603. THE LAW HAD NO EFFECT, SO THEY PROHIBITED IT AGAIN IN 1607.

3. SHOGUN: IF AT FIRST YOU DON’T SUCCEED…

4. SMOKER (small): MAYBE WE SHOULD PROHIBIT PROHIBITION.

PANEL 2. The same SAMURAI, a little older, is on a smoking break with a younger STUDENT. Behind them on a wall is a sign that says “NO SMOKING”, and below that, another sign has been pasted up that says “…AMERICAN TOBACCO. SMOKE NIPPON!”

5. CAP: BY 1615, SMOKING HAD SPREAD TO THE OFFICERS OF THE SHÔGUN. PENALTIES WERE MADE EVEN STRICTER, IGNORED EVEN MORE FIERCELY, AND DISAPPEARED WITHIN A DECADE.

6. STUDENT: ISN’T THERE SOMETHING WRONG WITH THIS?

7. SAMURAI: YES, YOU NEED TO ROLL IT TIGHTER. NOW SHUT UP AND SMOKE.

PANEL 3. A SULTAN is riding into town followed by his army (men in light armor on small horses, with small bows and swords. I’ve got pictures if you need some). Everybody in town is scurrying into their homes. Use the appropriate pillars of smoke and motion lines to depict this.

8. CAP: IN 1633, SULTAN MURAD IV DECREED THE DEATH PENALTY FOR SMOKING TOBACCO IN CONSTANTINOPLE.

9. SULTAN: GOSH, WHY ISN’T ANYONE EVER HAPPY TO SEE ME?

10. NOTE: “Wherever he went there was always a terrible increase in the number of executions.”—Count Corti, A History of Smoking

PANEL 4. A line of smokers wait to have their nostrils slit by an EXECUTIONER. He’s using these big nose-tweezer things. One SMOKER, who has just had the operation completed, is having another smoke.

11. CAP: IN 1634, CZAR FEODOROVITCH OF RUSSIA DECREED THAT SMOKERS HAVE THEIR NOSTRILS SLIT.

12. SMOKER: THIS IS GREAT! NOW I CAN’T SMELL IT.

13. EXECUTIONER: NEXT!
**PANEL 5.** Tobacco plants are creeping into the door of the church as a POPE whips a bull out towards the plants.

14. **CAP:** POPE URBAN VIII ISSUED A BULL AGAINST TOBACCO IN 1642, AND INNOCENT X ISSUED ANOTHER IN 1650.

15. **POPE:** GET ‘EM, FERDINAND!

**PANEL 6.** A small panel of a trampled TOBACCO plant. Anthropomorphize it, because it needs to talk.

16. **TOBACCO (small):** THEY AREN’T NEARLY AS TOUGH AS THE BULLS IN AMERICA…

**PANEL 7.** A smaller panel of a POPE, separating lines of brown tobacco powder on an altar in a cathedral.

17. **CAP:** IN 1725, BENEDICT XIII, WHO LIKED SNUFF, ANNULLED THE EDICTS AGAINST TOBACCO.

18. **POPE:** JUST A LITTLE TOOT, THAT’S ALL.
PAGE 20

PANEL 1. A DEA OFFICER is spitting out a mouthful of Classic Coke™ in surprise.

2. CAP: AND “COCA COLA™.”

3. DEA OFFICER: PHHHFT!

PANEL 2. A DOCTOR is pulling a coca plant out of a bottle of Coca-Cola, while dodging bullets coming in from off-panel.

4. CAP: COCA-COLA™ WAS INTRODUCED IN 1886, WITH COCAINE FROM COCA AND CAFFEINE FROM KOLA. THE COCAINE WAS REMOVED† IN 1903: THEIR SOUTHERN MARKET FEARED THE “NEGRO COCAINE FIEND”.

5. DOCTOR: COCAINE MAKES ‘EM SHOOT BETTER! (Edward H. Williams, New York Times, February 8, 1914)

6. DOCTOR (smaller): YIPES! CAN’T WE SEND ‘EM OFF TO WAR OR SOMETHING?

7. NOTE: †De-cocainized coca is still used in Classic Coke™.

PANEL 3. A Coca-Cola chemist is surreptitiously pouring coffee into a line of Coca-Cola bottles. R.J. REYNOLDS, smoking a cigarette, looks on.

8. CAP: THEY REPLACED THE COCAINE WITH EXTRA CAFFEINE, EXTRACTED FROM COFFEE.

9. R.J. REYNOLDS: LET ME GET THIS STRAIGHT. YOU TOOK OUT ONE DRUG, REPLACED IT WITH A MORE ADDICTIVE DRUG, THEN BUILT AN EMPIRE MARKETING IT TOWARDS TEEN-AGERS? WHERE CAN I GET A PIECE OF THIS ACTION?

PANEL 4. A small panel, inset into PANEL 3. JOE CAMEL™ has his arms around R.J. REYNOLDS.

10. JOE CAMEL: R.J., HAVE I GOT A DEAL FOR YOU!

PANEL 5. A SCUZZY man in a nice car is handing a syringe to another man, who is handing SCUZZY some cash. At the bottom right of this panel is PANEL 6.

11. CAP: IN 1914, THE HARRISON NARCOTIC ACT BLOCKED ACCESS TO OPIATES. MORPHINE USE ROSE, AND CRIMINALS BEGAN SELLING IT. BY 1919, IT WAS OBVIOUS THAT THE BLACK MARKET WAS BECOMING A PROBLEM:
12. **NOTE:** “Since the enactment of the Harrison law, the traffic by underground channels has increased enormously”—Committee on Traffic in Narcotic Drugs

13. **SCUZZY:** DON’T KNOCK IT! THE HARRISON LAW PAID FOR THIS CAR.

**PANEL 6.** This is a small inset introducing the next page. Just JERRY’S head.

14. **JERRY:** OBVIOUSLY, IT WAS TIME TO MAKE THINGS WORSE...
**PAGE 21**

**PANEL 1.** This first panel is a banner across the top of the page, with gangsters hanging out around the letters, shooting each other up with tommy-guns. A few police officers and judges surreptitiously take bundles of cash from anonymous hands (anonymous because they’re reaching out from behind the letters).

1. **CAP:** PROHIBITION
2. **CAP:** THE GREAT ILLUSION

**PANEL 2.** Left to right: A potted POPPY plant, a SYRINGE, and a bottle of XXX WHISKEY. Anthropomorphize them. The POPPY is dejected. The WHISKEY is trying to get our attention.

2. **CAP:** HARD ALCOHOL USE, HEROIN USE, AND ALCOHOL & OPIATE USE IN GENERAL, WERE DECLINING BEFORE 1920.
3. **CAP:** AFTER THE HARRISON ACT, OPIATE USERS MOVED TO THE MORE CONCENTRATED MORPHINE AND LATER, HEROIN.
4. **POPPY:** NOBODY LIKES ME ANYMORE.
5. **SYRINGE:** EVER SINCE HARRISON, I’M ALL THEY WANT!
6. **WHISKEY:** ME! OVER HERE! PROHIBIT ME NEXT!

**PANEL 3.** At a funeral for ‘John Barleycorn’, preacher Billy SUNDAY delivers the eulogy. Note that PANEL 4 is inset into this panel. There is a black casket, closed, labeled ‘JOHN BARLEYCORN’ next to SUNDAY.

7. **CAP:** IN 1920, ALCOHOL PROHIBITION WENT INTO EFFECT.
8. **SUNDAY:** “THE REIGN OF TEARS IS OVER. WE WILL TURN OUR PRISONS INTO FACTORIES, JAILS INTO STOREHOUSES. MEN WILL WALK UPRIGHT, WOMEN WILL SMILE AND CHILDREN WILL LAUGH. HELL WILL BE FOREVER FOR RENT.”—BILLY SUNDAY

**PANEL 4.** This is a small panel inset into panel 3. John BARLEYCORN, a skeleton with scraggly hair, sits up in his casket and winks. BARLEYCORN holds a full shot glass.

9. **BARLEYCORN:** SO HAVE A TOAST IN MY MEMORY.

**PANEL 5.** A JUDGE looks out at the reader, while a line of men and women are lead in chains out of the courtroom. This panel should be on the same level as PANEL 6.

10. **CAP:** DRINKING DROPPED AT MOST 30% TO 50%†, BUT WHAT WERE THEY DRINKING? HARD LIQUOR MIXED WITH CREOSOTE, IODINE, WOOD ALCOHOL, LEAD, OR GINGER JAKE. ORGANIZED CRIME FLOURISHED.
11. **JUDGE:** AND JAILS BECAME STOREHOUSES: THEY OVERFLOWED STORING PROHIBITION VIOLATORS.
12. †NOTE: Some estimates show an increase in drinking during Prohibition. Few bootleggers kept records.

**PANEL 6.** The POEM overlays two crossed tommy guns. Above the cross is a dollar sign, and below it is a bottle of triple X. Leave room for PANEL 7 at the bottom right.

13. POEM:  
**PROHIBITION IS AN AWFUL FLOP.**  
WE LIKE IT.  
IT DON’T STOP WHAT IT’S MEANT TO STOP.  
WE LIKE IT.  
IT’S LEFT A TRAIL OF GRAFT AND SLIME,  
IT DON’T PROHIBIT WORTH A DIME.  
IT’S FILLED OUR STREETS WITH VICE AND CRIME.  
NEVERTHELESS…  
WE’RE FOR IT.”—FRANKLIN P. ADAMS, 1931.

**PANEL 7.** This is a small panel in the lower right of the page.

NOTE TO LETTERER: CAP 15, the words ‘KILLER WEED’, should be given appropriate scary and plantey special effects.

14. CAP:  
ALCOHOL PROHIBITION FINALLY ENDED IN 1933. PROHIBITION AGENTS WERE TRANSFERRED TO THE BUREAU OF NARCOTICS, JUST IN TIME FOR…

15. CAP:  
THE KILLER WEED.
PAGE 22

PANEL 1. A close-up of an indignant MEXICAN immigrant smoking a reefer and looking out at the reader.

1. CAP: MARIJUANA GAINED POPULARITY DURING PROHIBITION AMONG MEXICAN IMMIGRANTS WHO FOUND ILLICIT ALCOHOL EXPENSIVE.

2. MEXICAN: NO WONDER THEY’RE WHITE. I TURN WHITE TOO, SEEING THE PRICE OF THEIR DRUGS.

PANEL 2. The MEXICAN is scratching his head, reading a newspaper. The TEXT is an expansion of the newspaper.

3. CAP: A SPOKESMAN FOR THE AMERICAN COALITION WROTE:

4. TEXT: “Marihuana is a direct by-product of unrestricted Mexican immigration. Bills for our quota against Mexico have been blocked mysteriously in Congress. Our nation has more than enough laborers.”

5. MEXICAN: SÍ, THAT IS MYSTERIOUS. POLITICIANS USING COMMON SENSE?

PANEL 3. A police OFFICER is holding a smoking revolver. The TEXT is a tear-out of a letter.

6. CAP: A TEXAS POLICE CAPTAIN WROTE ABOUT MEXICANS ON MARIHUANA:

7. TEXT: “Mexicans become very violent, and will attack even if a gun is drawn on him. They have no fear. they have enormous strength, and it takes several men to handle him.”

8. OFFICER: OR SEVERAL BULLETS.

9. CAP: SOUND FAMILIAR? YOU’VE PROBABLY HEARD THE SAME THING ABOUT PCP AND BLACKS.

PANEL 4. A white police OFFICER is pleading before a white jury.

10. CAP: “RECENT STUDIES INDICATE THAT IF PCP INDUCES VIOLENT, CRIMINAL BEHAVIOR, IT DOES SO ONLY EXTREMELY INFREQUENTLY”—U.S. DEPT. OF HEALTH AND HUMAN SERVICES

11. OFFICER: (BUT IT MAKES A GOOD COURT DEFENSE.)

12. OFFICER: I HAD TO SHOOT HIM! I THOUGHT HE WAS ON PCP!

PANEL 5. ANSLINGER is standing next to the TEXT, whispering slyly to the reader. The TEXT is a tear-out piece of a letter.

13. CAP: SUPPORTING MARIJUANA PROHIBITION, FEDERAL NARCOTICS BUREAU COMMISSIONER HARRY J. ANSLINGER WROTE:
14. TEXT: "How many murders, suicides, robberies, criminal assaults, hold-ups, burglaries, and deeds of maniacal insanity it causes each year can only be conjectured."

15. ANSLINGER (small): HEE HEE! OF COURSE IT COULD ONLY BE CONJECTURED. I COULDN’T FIND ANY.

PANEL 6. A row of congressmen are holding a hearing. One REPRESENTATIVE is yelling back at the off-panel doctor.

16. CAP: WHEN THE AMERICAN MEDICAL ASSOCIATION CHASTIZED CONGRESS FOR NOT BOTHERING TO VERIFY ANSLINGER’S ‘FACTS’, A CONGRESSMAN RETORTED:

17. REPRESENTATIVE: DON’T THROW OBSTACLES IN THE WAY OF SOMETHING THAT THE FEDERAL GOVERNMENT IS TRYING TO DO!

18. REPRESENTATIVE (small): WE’RE POLITICIANS. WE KNOW MORE THAN YOU DO. WE HAVE MASTER’S DEGREES… IN POLITICS.
PAGE 23

PANEL 1. A DEA agent, in the desert, is trying to put handcuffs on a large cactus. Make this panel small so that you have room for PANEL 2.

1. CAP: THE PEYOTE RELIGION OF THE NATIVE AMERICAN CHURCH HAS BEEN A THORN IN THE SIDE OF PROHIBITION ENFORCEMENT SINCE THE TWENTIES.

2. AGENT: OUCH!

PANEL 2. Most of this panel is just a huge clipping from a journal article. A MAN in a suit, about as tall as the article, is leaving. He’s waving his arms in anger.

4. TITLE: HABIT INDULGENCE IN CERTAIN CACTACEOUS PLANTS AMONG THE INDIANS

5. BODY: Missionary workers are becoming concerned. Certain Sons of Belial, taking advantage of the tendency of the Indian to religious ceremonial, have been spreading the word that peyote enables the addict to communicate with the Great Spirit. The ‘Peyote Church’ has actually been incorporated, the members being devotees who gather for an orgy of frenzy far worse than the cocaine parties held among the negroes.

6. MAN: AND THEY DIDN’T INVITE ME!

PANEL 3. A SHERIFF is leading a black man into the jailhouse.

7. CAP: PROHIBITION CONTINUES ENABLING RACISM. BLACKS COUNT FOR 12% OF ILLEGAL DRUG USERS, BUT 38% OF ARRESTS.

8. SHERIFF: HEY, WHEN A THIRD OF AMERICANS ARE CRIMINALS, I CAN CHOOSE WHO I WANT TO HARASS.

PANEL 4. Police officer Jim LYMAN is arresting a DEADHEAD in a concert parking lot. There are lots of parked cars, vw buses, and people selling trinkets. The DEADHEAD is wearing a smiley-face shirt. LYMAN has a sticker on his back that reads ‘I AM A NARC’. The ‘N’ and ‘C’ are backwards, giving it a childish look.

9. CAP: ALBANY POLICE OFFICERS LOVE WORKING GRATEFUL DEAD CONCERTS. ARRESTING DEADHEADS DOESN’T COME WITH THE HASSLES ACCOMPANYING OTHER ARRESTS. (ALBANY TIMES UNION)

10. LYMAN: “BASICAFLY, THEY'RE THE NICEST PEOPLE IN THE WORLD TO ARREST.” —OFFICER JIM LYMAN

11. LYMAN (small): NICE PEOPLE ARE SUCH A THREAT TO SOCIETY.

12. DEADHEAD: HEY, MAN. IF IT MAKES YOU FEEL GOOD. JUST LET ME OUT BEFORE THE CONCERT STARTS.
PANEL 5. A SOMALI native (African) is standing next to a goat. There’s a leafy SHRUB in front of them.

13. CAP: OUR FIGHT AGAINST FOREIGN DRUGS CONTINUES TODAY. WHEN THE ARMED FORCES WERE IN SOMALIA, THE DEA DISCOVERED THE KHAT LEAF (REMEMBER THE GOATS?), AND PROMPTLY MADE THAT ILLEGAL, TOO.

14. SOMALI: GOOD. LEAVES MORE FOR US.

15. GOAT (small): WHEN ARE YOU LEAVING?

16. SHRUB: LEAVE IT TO THE AMERICANS…
PAGE 24

PANEL 1. A white European with a handful of cigarettes is sitting in a recliner. On the armrest is an ashtray full of dead butts. A Native American with a long ceremonial pipe is looking incredulously at the ashtray.

1. CAP: WHEN CULTURES DISCOVER A NEW DRUG, THEY GRADUALLY LEARN TO LIVE WITH IT. NATIVE AMERICANS LEARNED TO SMOKE TOBACCO ‘RELIGIOUSLY.’ EUROPEANS LEARNED TO SMOKE IT INEFFICIENTLY, SO THAT MOST NICOTINE IS BURNED.

2. SHAMAN: OBVIOUSLY A VERY RELIGIOUS PERSON.

PANEL 2. An ANDEAN native is carefully tasting a coca leaf, while an AMERICAN is sniffing a glass of wine.

3. CAP: ANDEAN CULTURES PREFER COCA THAT HAS LESS COCAINE, AND THE UNITED STATES HAS BEEN SHIFTING FROM DISTILLED LIQUORS TO BEERS & WINES.

4. ANDEAN: VERDE ELEGANTE; HAJAS DULCES.

5. AMERICAN: LIGHT, NO AFTER-TASTE, FINE VINTAGE.

6. NOTE: (and when it was legal, many folks used coca wine!)

PANEL 3. A police officer is blowing a whistle and holding his arm out to stop a guy carrying a case of beer. Behind him, someone’s sneaking a barrel past, labeled “WHISKEY—XXX”

7. CAP: THIS IS A NATURAL PROCESS—UNLESS WE INTERVENE AND PROHIBIT THE DRUG. THEN, BLACK MARKETS MOVE TO CONCENTRATED FORMS THAT ARE EASIER TO SMUGGLE.

8. CAP: WHEN WE ENACTED PROHIBITION, WE SWITCHED RIGHT BACK TO HARD LIQUOR. IT TOOK DECADES TO REVERSE THE DAMAGE OF PROHIBITION.

PANEL 4. A handsome drunk GUY is ripping his shirt off in front of an alien woman. Go all out weird.

9. CAP: WHEN WE REACH THE STARS AND GET OUR FIRST TASTE OF PLUTONIAN NYBORG, WE’LL HOPEFULLY HAVE LEARNED FROM OUR EXPERIENCE. OF COURSE, IF THEY REACH US FIRST…

10. JOURNAL NAME: JOURNAL OF THE PLUTONIAN MEDICAL ASSOCIATION

11. TITLE: HABIT INDULGENCE IN CERTAIN SOLACEOUS PLANTS BY THE EARTHLING
12. BODY: CERTAIN PODS OF BELIAL, TAKING ADVANTAGE OF THE GULLIBILITY OF THE HUMAN GRAPE ADDICT, HAVE BEEN SPREADING THE WORD THAT TOBACCO USE ALLOWS THE ADDICT TO COMMUNICATE WITH THE GREAT HACKER. NEARLY ALL THE HARM CAUSED BY HUMANS AGAINST OUR FEMALES IS THE RESULT OF TOBACCO STIMULATION.

13. GUY: IN ALL THIS SMOKE, WHO CAN SEE THE DIFFERENCE?
INSIDE BACK COVER

The inside back cover is just a big conglomeration of book names.

NOTE TO LETTERER: On this page, underlines really are underlines, and italics are italics.

1. **CAP:** HERE ARE SOME READING SUGGESTIONS IF YOU WANT TO SEE THROUGH THE SMOKE ABOUT RECREATIONAL DRUGS:

2. **TITLE:** A Primer of Drug Action, by Dr. Robert M. Julien. W.H. Freeman and Company. A bit technical, the Primer is as clear as mud, but it covers the ground on recreational drugs—including contraceptives. Hey, that’s recreational too.

5. **TITLE:** The Natural Mind and The Marriage of the Sun and Moon, by Andrew Weil. Both from Houghton Mifflin Company. Mind describes and supports his theory of altered consciousness. Marriage is an engaging trek through such outré altered states as mangos, jalapeños, yagé and eclipses.

6. **TITLE:** Intoxication! Life in Pursuit of Artificial Paradise, by Ronald K. Siegel. Where else do you get to see a tiger urinate in mid-air and birds flirting with cats? Siegel proposes the fourth drive, as important as sex, hunger, and sleep: the need for altered states of awareness.

7. **TITLE:** Ceremonial Chemistry and Our Right to Drugs, by Thomas Szasz. Doubleday Books. Dr. Szasz talks about our societal need for scapegoats, and how drug prohibitions fit into that need.

8. **QUOTE:** “I hear man cry, ‘Would there be no wine! O folly! O madness!’ Is it wine that causes this abuse? No, as well say, ‘Would there were no light!’ because of the informers, and ‘would there were no women’ because of adultery.”—St. John Chrysostom
